**“For Sale” Signs Prohibited at Entrance to Horizons Village**  
(Adopted March 2007)

As of March 2007, there is a prohibition on the right of the lot owner to place any sign at the entrance of Horizons Village that advertises a lot owner’s lot for sale. A “For Sale” sign is permitted in front of the lot itself. An “Open House” sign, at the entrance of Horizons and at the specific lot, is permitted for a one- or two-day long open house.
